

Thank you for purchasing this Croydex product.  
Please follow the care instructions to ensure your toilet brush and pot retains its high quality finish.  
**Please retain this leaflet for future reference.**

This instruction leaflet applies to the following product:

QM112005 – Modular Toilet Brush

### Assembly Instructions

1. Place metal flange over the screw thread located at the end of the plastic tube on the brush so that the shiny face of the flange points upwards.
2. Screw the handle onto the thread and tighten to secure the flange in place.

### Product Care

This product is supplied with a removable plastic liner, which can be cleaned with household toilet cleaners and bleaches.

To retain the best quality finish, clean metal components regularly with a soft cloth and mild detergents. Do not use abrasive or chemical cleaners on the metal components, as these will damage the product.
